"PORT OF DUQM IN OMAN HAS LAUNCHED AN INTERNATIONAL TENDER FOR A NEW
CONTAINER TERMINAL"

Tender No.	Description	Last Date for receiving Requests for Clarifications	Date of Submission of Expression of Interest (EOI)
ITC/T/005/2021	Invitation To Prequalify (ITP) for the Licensing Agreement for the Implementation and Operation of a new Container Terminal at the Port Of Duqm, Sultanate Of Oman	21 August 2021	9 September 2021

"The Port of Duqm Company SOAC (PODC) is launching an international competitive tender to select a terminal operator for its new container terminal in Duqm. The Port of Duqm is a major industrial/commercial port located in the Special Economic Zone of Duqm, offering an optimal location for the development of a container transshipment hub to serve the regional markets, including East Africa, the Gulf and the Indian Ocean.

The port of Duqm currently offers multiple terminal facilities and is home to a major shipyard complex. The next stage of its development is focusing on the first phase of a new container terminal, with target capacity of 1.7 Million TEU and scope for terminal expansion. The selected operator will be granted a 30-year License Agreement to develop and operate the facility, while marine infrastructure, yard paving and buildings are already available.

PODC is publishing an Invitation to Prequalify (ITP) where respondents be invited to present their qualifications and indicative commercial strategy, under an Expression of Interest (EOI) submission, on basis of which a shortlist of prequalified bidders will be established, to carry out a competitive dialogue for developing the Project Agreements and selecting a preferred bidder for award.

The ITP can be retrieved by sending a written request to tenders.ct@portduqm.com with the mention "Tender# ITC/T/005/2021 Licensing Agreement for Duqm Container Terminal" in reference.
