

PORT OF DUQM TARIFF LIST 2022

DEFINITIONS	
The Port reserves the right to alter, change or amend any or all tariffs, charges, terms, conditions or interpretations of the presented Port Tariffs.	
A vessel is a watercraft, used or capable of being used as a means of transportation on water (example : Tug-Barge/Pontoon Combination).	
The tariffs for Marine Charges are based on vessels' GT unless otherwise specified. GT shall be interpreted as the higher tonnage where vessels have dual GT or the sum of GT or DWT (highest of both) for Tug-Barge/Pontoon Combinations or tonnes displacement for vessels without GT or DWT (example : Navy vessels).	
per hr : for every started hour	
per 24hr : for every started period of 24 hours	
Tonne(s) = Metric Tonnes	
CBM = m3	
The tonnage will be considered based on the cargo manifest. The Port reserves the right to demand a copy of the bill of lading or the packing list and to carry out verification of measurement of any cargo and consider the highest volume for the purpose of tariff.
